

AnimationView::AnimationView

```
graph LR; A[AnimationView::AnimationView] --> B[AnimationView::createSidebarButton];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'AnimationView::AnimationView'. The right box is gray with a black border and contains the text 'AnimationView::createSidebarButton' on the top line and 'Button' on the bottom line.
