

EditorView::EditorView

```
graph LR; A[EditorView::EditorView] --> B[EditorView::updateGraphInScene];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'EditorView::EditorView'. The right box is gray with a black border and contains the text 'EditorView::updateGraphInScene' on two lines.
