

TaskInputWidget::TaskInput  
Widget

```
graph LR; A[TaskInputWidget::TaskInputWidget] --> B[TaskInputWidget::removeDropoffPoint];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'TaskInputWidget::TaskInputWidget' split across two lines. The right box is gray with a black border and contains the text 'TaskInputWidget::removeDropoffPoint' split across two lines. A blue arrow points from the right side of the left box to the left side of the right box.
