

TaskInputWidget::TaskInput  
Widget

```
graph LR; A[TaskInputWidget::TaskInputWidget] --> B[TaskInputWidget::setDropoffPoint];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'TaskInputWidget::TaskInputWidget' on two lines. The right box is gray with a black border and contains the text 'TaskInputWidget::setDropoffPoint' on two lines. The blue arrow originates from the right side of the left box and points to the left side of the right box.

TaskInputWidget::setDropoff  
Point
