

Sidebar::minimumSize

Sidebar::sizeHint

Sidebar::calculateSize

```
graph LR; A[Sidebar::minimumSize] --> C[Sidebar::calculateSize]; B[Sidebar::sizeHint] --> C;
```

The diagram illustrates a dependency or data flow. Two white rectangular boxes on the left, labeled 'Sidebar::minimumSize' and 'Sidebar::sizeHint', have blue arrows pointing to a single gray rectangular box on the right labeled 'Sidebar::calculateSize'. The gray box has a slight 3D effect with a darker bottom edge.
