

WCA\_Environment::runTimestep

```
graph LR; A[WCA_Environment::runTimestep] --> B[WCA_Environment::capacity];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'WCA\_Environment::runTimestep'. The right box is gray with a black border and contains the text 'WCA\_Environment::capacity'. A blue arrow points from the right side of the first box to the left side of the second box.

WCA\_Environment::capacity
